

FEATHER RIVER RAIL SOCIETY

DATE: April 2017
ITEM: New Business 5
FROM: Eugene Vicknair
SUBJECT: **Fundraising Raffle**

With the donation of the quilt by Carol H. last month, the idea was expressed to hold another fundraising raffle during the season similar to the raffle last year.

To that end, I have requested donations of Gift Certificates from the Napa Valley Wine Train and from the Sierra Northern railroads.

I would propose we use the following format for the raffle: \$2 per ticket, 6 tickets for \$10 (5 plus 1 free)

There will be 5 prizes if we get the Dinner Train Gift Certificates:

- Western Pacific Quilt
- Run A Locomotive Plan A with WP SW1500 1503
- Run A Locomotive Plan B with WP GP7 707
- Napa Valley Wine Train gift certificate
- Sierra Northern or Sacramento River Train gift certificate

Sales will start on May 4th, Thursday, and continue to Portola Railroad Days. The drawing will be at 2 PM, Sunday, August 27. That start in May will allow for notice of the requested gift certificates and to provide some time for our new Store person to get used to the operations before we start with the raffle sales.

As before, the winner do not need to be present to win, but we must have phone number and email to contact them.

Note that I have already filed the required paperwork with the State and I donated the \$20 annual fee.

Requesting consensus direction to proceed as outlined or with modifications as suggested by the Board and any interested members.
