

General Superintendent's Report

Kerry Cochran

Date: May 24, 2018

I am writing this prior to Opening Weekend, May 26 thru the 28th.

As we start another operating season, I hope that everyone who wants to be a part of the train crews this season has had a chance to attend one of the crew training days.

The second one was held on May 27th (Sunday during operating weekend). We are trying this date this year to see how it may work out for some members who could not make training earlier in the year.

I will let Loren Ross, Superintendent of Operations, go into more detail on the Operating Department and crew training as needed.

Should you have any questions about the Operating Department, please reach out to Loren Ross, the Superintendent of Operations. You can email Loren at operating_dept@wplives.org.

The WP165 "*Light the Fire*" fundraiser dinner is now a thing of the past, we had about 83 members and guests attend. It was great to see Norm Holmes attend, he was able to visit with several of us during the dinner and afterwards.

Please support the WP165 project and let's get it finished.

"As always, there are so many volunteers that help around the museum all the time and I would be remised if I did not say thank you to all of you. I may have missed some specifically by name; however all of your help is greatly appreciated".

At any time should you have any questions, please feel free to contact me, I may not have an answer right away, however I will get one for you.
