

**FEATHER RIVER RAIL SOCIETY  
AGENDA REPORT**

DATE: 07/07/2021

TO: Board of Directors

FROM: Kerry Cochran

MEETING: 07/10/2021

ITEM: New Business

SUBJECT: ADA Signs

During the opening weekend there was a young lady in a motorized handicap chair moving around the museum.

However when she arrived at the museum and parked in the handicap area, she was confused on which way to enter the museum and went the wrong way to get to the front entrance. (went around the archive car on the gravel road behind the main building)

We need to install some new signage to indicate on the direction that handicap people need to go to get to the main entrance. (signs on the loading dock and possible on the Cotton Belt boxcar)
