FROM the PRESIDENT'S DESK

Even with snow on the ground and cold weather, museum work goes on. We have a lot of work and planning to do to get our facility open to the public on Memorial Day weekend. Even though we are not offically open nearly every day visitors stop by to see our equipment. New membership applications are coming in regularly, many with notes of encouragement and compliments about the progress we've made. I want to thank everyone who voted in our Directors election. Even though we had eight running for five positions, there is no serious controversy as in some clubs. All the candidates wanted to help in deciding what is best for the society. Each of us have our particular talents and together we have no where to go but forward....

LAST MEETING

We had a rain storm for our Oct meeting, we had a snow storm for our Dec meeting. Wonder what will happen in February? Nevertheless, 15 members attended the meeting. Following a short business section, Oden Lorimer showed a video of UP trains on Sherman Hill in the 50's. The parade of steam and passenger trains was very impressive. Refreshments were furnished by Hap Manit and Barbara Holmes. Ballots for the election of the 1985 Board of Directors were counted with the following being elected: James Boynton, Norman Holmes, Hap Manit, Mel Moore and Chris Skow. 230 ballots sent out, 143 were returned on time.
