

HISTORY COMES IN ALL FORMS OURS JUST HAPPENS TO BE MADE OF STEEL

Discover the Western Pacific Railroad Museum, where you can experience hands-on railroad history. Home to North America's largest and most complete collection of Western Pacific trains, the museum has over 150 pieces of rolling stock. Tour the vintage passenger cars, climb aboard to ride the trains and even operate a diesel or steam locomotive.

Located in California's beautiful Feather River Country, the Western Pacific Railroad Museum offers train rides each weekend from Memorial Day to Labor Day, features Pumpkin Trains in October and Santa Trains in December. Reservations are recommended for Run-A-Locomotive.
