

FEATHER RIVER RAIL SOCIETY

General Superintendent's Report

Kerry Cochran

Date: October 10, 2023

Our operating season ended Labor Day weekend.

I would like to thank all the volunteers who gave up their time to support the museum this summer.

We have several new crewmembers this year, so if you do not recognize members working on the train crew or a newer member working around the museum, please stop and introduce yourself. All the new people are on the Operating Department Crew Roster web page. (https://wplives.org/operating_dept_crew_members.html)

Now we move into the closed portion of the year, there are several projects still in progress at the museum and the Mechanical Department is working hard on our equipment.

Our upcoming Pumpkin Patch Express trains are approaching fast and as I understand it, several of the volunteers have been busy decorating the caboose train for this event.

Should you have time and wish to give the museum a hand with the Pumpkin Patch Express Trains, please contact the museum and volunteer.

The next event will be our Santa Trains and we will need help with this event also, so please think about helping out for this also.

At any time should you have any questions, please feel free to contact me, I may not have an answer right away, however I will get one for you.
