

# SHOW YOUR KIDS NOT ALL TRAIN SETS COME IN A BOX

Discover the Western Pacific Railroad Museum, where you can experience hands-on rail history. Home to North America's largest and most complete collection of Western Pacific trains, the Western Pacific Railroad Museum has over 150 pieces of rolling stock. Tour the vintage passenger cars, and climb aboard to ride the trains and even operate a locomotive.

Located in California's beautiful Feather River Country, the Western Pacific Railroad Museum offers train rides each weekend from Memorial Day to Labor Day, and features Pumpkin Trains in October and Santa Trains in December. Reservations are recommended for Run-A-Locomotive. For more information, call 530-832-4131, or visit [www.WPLives.org](http://www.WPLives.org).
