

FEATHER RIVER RAIL SOCIETY AGENDA REPORT

DATE: May 31, 2005
FROM: Director Cochran
ITEM: New Business
SUBJECT: **Member Request**

I have been requested to bring to the attention of the Board of Directors, an article about a persons RAL at the Portola Railroad Museum.

Member Jack Palmer performed an RAL on Thursday July 8, 2004 with customer Mike Martin.

Mike is a member of the Washington D.C. Chapter, Inc. of the National Railway Historical Society.

Mike writes a four (4) page description of his railfan trip out to California.

The point that Jack wants to make is that:

"We must continue our efforts to make the experience with the RAL a pleasant and excellent experience with all of our clients".

I will have a copy of the article and Jack's note to me.

ACTION: Discussion, Report.
