

## FEATHER RIVER RAIL SOCIETY AGENDA REPORT

DATE: Aug. 6, 2005  
FROM: Director Cochran  
ITEM: New Business  
SUBJECT: **Operating Department Purchase**

I have waited until the museum finances are in better shape before bring this item up, however since it involves safety it now comes before the board.

Since the end of the season last year (2004) the operating department need to replace all the radio batteries.

It has come to a point where all most all of the current batteries are no longer any good.

Cost approx. \$ 1,000.00

**ACTION: Discussion, Action**
