

FEATHER RIVER RAIL SOCIETY AGENDA REPORT

DATE: 12/4/2012
FROM: Kerry Cochran
ITEM: Old Business
SUBJECT: FCC Radio License

On or about November 24, 2012, I processed the FRRS FCC Radio Station Authorization to modify the Emissions Designator to conform with the requirements of the Narrowbanding changes that will become effective on January 1, 2013.

The fee for this modification to the FCC is \$60.00

In the processing of the modification, I paid the fees in order to get the license processed.

Currently the modification is pending the Approval of the FCC.

Pending file with the FCC attached

ACTION: Discussion.
