Important Messages

As part of our continued commitment to the environment we announced a new 10-year, \$50 billion environmental business goal to help address climate change, reduce demands on natural resources and advance lower-carbon economic solutions.

The new initiative, effective January 1, 2013, will focus on energy efficiency, renewable energy and energy infrastructure, transportation, and water and waste. It will include lending, equipment finance, capital markets and advisory activity, carbon finance, and advice and investment solutions for clients.
