

FEATHER RIVER RAIL SOCIETY – AGENDA REPORT

DATE: April 10, 2014
FROM: Matt Shuman
ITEM: Old Business Item 1
SUBJECT: **Speeder Event for Portola Railroad Days 2014**

At the March 2014 Board Meeting, I proposed adding in Speeder Operations for this event and the Board provide consensus to proceed with this plan. The Board was going to verify with the FRRS insurance carrier that the Speeder Operations would be insured and covered under the FRRS policy. We know and understand that all Speeder Operators must be not only be current FRRS Members, but NARCOA licensed as well for the safety of all.

Since the March, I have had contact with Dave McClain as to this. He has given me the lead on this portion of the event for this year as he will not be available.

Has the Board been able to address the insurance question yet?

Thank you and we are looking forward to serving the event.

Sincerely,

Matthew Shuman – FRRS Family Life Member

REQUESTED ACTION: Guidance on insurance and consensus direction to proceed.
