

FEATHER RIVER RAIL SOCIETY – COMMITTEE REPORT

DATE: May 10, 2014
FROM: Matthew Shuman – Election Chair
ITEM: Committee Report
SUBJECT: **2014 FRRS Elections Update**

The 2014 FRRS Elections are proceeding on schedule. I have received 217 ballots A/O 5/5/2014. It is unknown at this time how many ballots were mailed to the membership to provide any return percentages.

The following was relayed to me by a member. Only complaint(s) to date that I have personally received and had permission to share:

FRRS 2014 Election complaints to date.

Complaint#1 – 4/27/14

“Hi Matt, Well done on the ballots. I have some feedback if you're interested, just my thoughts and it turns out a few other FRRS member thoughts based on the feedback from people regarding Mason's Statement. (Feedback has nothing to do with mason though.

Sorry, got distracted. Anyways, I think the FRRS is going to have a hard time getting the bylaw initiative passed. Just putting out there that they are changing them and to read the new ones then download the old ones and compare was a real real bad idea. They should have issued something detailing the changes. No one has time to read and try to find what the changes are. We both voted no and I know of 7 others as well who voted no. all cited that specific reason. Just a thought.. (Up to 11 now).”

Complaint#2:

No more at this time.

Remaining Election Calendar Dates

1) ~~April 21, 2014~~— The Ballots shall be sent out by the Committee on or before the 3rd Monday in April. *This deadline was almost missed for several reasons, two of which were the additional of the proposed by-laws and a new fiscal approval method by the printers. This will not happen again. There will in the future be ample time allowed for whatever delays that the Committee can either*

interpret or predict.
