

FEATHER RIVER RAIL SOCIETY – AGENDA REPORT

DATE: July 8, 2014
FROM: Eugene Vicknair - Director
ITEM: Event Report
SUBJECT: **2014 Historic Convention**

Advertising for the Convention is out and registrations are coming in. A special mailing went out 2-3 weeks ago and the next issue of the Train Sheet will also have information. BAERA is also including info in their newsletter.

All shows are finalized except one. We are close to lining up a speaker. It looks like one of the highlights will be advance copies available of the WP Final Decade book with all 4 authors on hand to sign. We are still finalizing that.

Thank you to Wayne Monger for his assistance.

ITEM: Department Report
SUBJECT: **Funding**

Total donations to the 2014 Spring Fundraiser were just under \$19,000. I have been working heavily on the Convention, but will be getting 2-3 more grant applications out before the next meeting, with a little luck. I have the preliminary layout for the Fall Fundraising letter done and will be soliciting feedback in the next few weeks.

I have some other ideas that I will likely present at the August meeting.
