The Spring Fundraising Mailer has raised over \$3,300 to date.

Raffle

Waiting to hear back on request for Gift Certificate donation from the Napa Valley Wine Train. If we also put forward an RAL gift certificate, that would make three large prizes for the proposed fundraising raffle. Would like to start raffle on opening weekend, May 28-29.

July 3 Graeagle

Confirmed that we will have a booth at the July 3rd Graeagle Festival. We are cleared to sell merchandise, memberships, tickets and ice cream bars.

Fundraising Events

Exploring several options for fundraising events, including a paid event on a charter boat on the Delta looking at railroad sites from the water.

Model Railroad Collection Donation

We are currently doing the paperwork on the donation of a large model railroad collection. While some pieces will be kept for display, a large portion is available for sale to raise funds. More details as the donation details are worked out with the family.
