

FEATHER RIVER RAIL SOCIETY

DATE: July 2016
ITEM: Department Report
FROM: Eugene Vicknair
SUBJECT: **Funding**

Union Pacific Foundation

The grant for \$3,000 for our Archives Research Facility has been received from the Union Pacific Foundation. Plans are already in works to relocate the car and schedule work parties.

Raffle

The fundraising raffle is now in operation and tickets are being sold. Drawing is set for the last day of Railroad Days.

Business Sponsorship

The Business Sponsorship mailing went out last week and we received our first sponsorship on Wednesday, July 6. Hoping more will come in during the next week. Our partners at Big Fish Creations have been talking to a few select businesses, but we need a volunteer or two to take on the responsibility of following up on these letters with phone calls. Needs to be someone (or someones) with good phone skills and a firm knowledge of the FRRS and its operations.
