

FEATHER RIVER RAIL SOCIETY

DATE: December 2016
ITEM: OB 1
FROM: Eugene Vicknair
SUBJECT: **Fundraising Letter**

Due to my illness in early November and the demands of my recovery, the fall fundraising letter was delayed. There has been some discussion if we should discontinue the fall letter as income has proven better from the spring mailing.

Attached is the finalized fall letter. I would like the Board's input if we should proceed with mailing.

Estimated cost for the mailing, including postage, is about \$1,000. Turn around from approval to mailout is about 1 week.
