

FEATHER RIVER RAIL SOCIETY

DATE: December 2016
ITEM: Event Report
FROM: Eugene Vicknair

SUBJECT: **2017 WP Railroad Historic Convention**

We have verified dates and a location for the 2017 Convention. The even will be held May 4-7 at Harrah's Hotel and Casino.

We are going to receive a great value on this. The floor the event room is on has a large foyer that we can use so we effectively get two exhibit rooms for the price of one. It also has separate restrooms and is separate from general traffic but readily accessible to the food court and other amenities.

In addition, it is located walking distance from the Amtrak Station, the Aces ballpark and within a few blocks of the NCO Depot where we will be holding a mixer and tours Thursday evening.

I am currently lining up presentations and Tom Carter and Patty Clawson are helping me set up special events. I want to have the registration open by middle or end of January with a mail out notice.

Mailing cost will be about \$700 for the event announcement.
