DATE: December 2017
ITEM: New Business 2 – Portola Historic Mural of WP 4-6-0 94
FROM: Eugene Vicknair

As part of an improvement program in Old Town Portola, 5 murals will be painted on the side of one of the commercial buildings, each depicting a different locomotive from the Western Pacific. The group coordinating and planning the murals has received guidance from FRRS archive volunteers in the planning and selection.

As part of our commitment to the community, it is proposed that the FRRS sponsor one of the panels, the one depicting historic WP steam locomotive 94, on behalf of the membership. The cost for sponsorship is \$3,000.

The other mural panels have already been sponsored. They depict WP 2-8-8-2 259, WP FP7 805-A, WP GP7 707 and WP GP40 1976 in Bicentennial paint.

REQUESTED ACTION: Approve \$3,000 expenditure for historic mural sponsorship from line item 67010 – Advertising.
