

# Your Fast-Pass to Volunteering.

If you're like over half the volunteers in America, you give your time to more than one organization. Whether it is coaching a child's sports team, volunteering with the Girl Scouts, or delivering Meals on Wheels, it seems like there's no limit to the need for your time and energy within the community.

Beyond scheduling and time constraints, one of the biggest volunteer complaints is the need for background screening. It feels intrusive, it requires you to give up your sensitive personal details and it can delay your volunteering. And when you have to do it every time you join a new organization, it can be repetitive and annoying.

Verified Volunteers is dedicated to fixing these problems. We make it secure, easy, and hassle-free to volunteer – with one organization or many.

## It's fast, easy, and completely online

- + With Verified Volunteers, there is no need to fill out loads of paperwork. You are just four quick steps – and less than five minutes – away from ordering your background check.
- + Once you've placed an order, you are a Verified Volunteer. Log in to your account at any time, from anywhere, for any purpose – whether you need to update your request with missing information or are just curious about the status of your background check.
- + Your background check is completed in hours or days, not weeks or months. You are ready to begin serving faster than ever before.
- + And it's secure. Verified Volunteers follows best practices in data security. All your personal information is kept private - and safe.

## It makes volunteering with multiple organizations a breeze

- + With the Volunteer Fast-Pass, get screened once and share with as many organizations on the Verified Volunteers platform as you'd like. You can eliminate the need to endure the screening process over and over again – and accelerate your onboarding process at new volunteer programs.
- + Sharing is a no-brainer. Simply create a profile, search for and view organizations, and choose those that interest you.
- + As a member, you'll be able to access all the information you need at the click of a button – where you have shared, your current status and more.
