

General Superintendent's Report

Kerry Cochran

Date: July 10, 2018

I do not have much to report this month, as I took two weeks off on a vacation. I took one week for travel and one week on a cruise to Alaska with 19 family members.

As I look at the crew sign-ups and the conductor reports, I see that we have been very short on crew so far this season. Please sign-up for the train crew; we need your help every weekend to keep the cabooses running.

Over the last four to six weeks, Loren Ross, Fred Elenbaas, Greg Elems, and Charlie Spikes, along with a few other members, have been keeping the trains running. THANK YOU.

Should you have any questions about the Operating Department, please reach out to Loren Ross, the Superintendent of Operations. You can email Loren at operating_dept@wplives.org.

"As always, there are so many volunteers that help around the museum all the time and I would be remiss if I did not say thank you to all of you. I may have missed some specifically by name; however all of your help is greatly appreciated".

At any time should you have any questions, please feel free to contact me, I may not have an answer right away, however I will get one for you.
