

Historical/Archive Department Report

9-6-2018

Not much to report this month, it's been hard not being at the museum as much as I hoped to be this year.

We are still getting several inquiries and have been discussing questions with other members and trying to get answers for the membership and the general public.

While not all the inquiries have been answered yet, we are still looking into pulling the information out of the Historical/Archive files in order to answer the questions. I have been able to answer some questions, however others are still pending.

I have been fortunate to have Frank Brehm and Eugene Vicknair as a resource on the Historical/Archive staff to help me in obtaining answers, or the correct resource to look for answers, for these inquiries along with Paul Finnegan who helps me all the time.

Paul has also created a page on the website under the Historical/Archive pages to post some of the Questions/Answers so that we can direct inquiries there for the same type of questions that have already been answered.

If you have not visited the Historical/Archive department web page recently, please consider looking at them to see "What's New" in the Western Pacific Documents page.

We continue to add more materials to the Historical/Archive WEB pages.

Needs for the Archives:

We are always looking for help in getting materials properly stored and we need the support of the membership with helping supply storage materials for the archives.

Items listed below are needed to help keep our collection stored properly and should you wish to help us out, we certainly would like your donation and help.

- Computer Program to track all the Historical/Archive items (PastPerfect) is the computer program that I have been looking at, however I have not received a cost for that program as of yet.
- Archive Storage boxes for 35mm slides
- Archive Storage boxes for 8 1/2 X 11 materials

Should any member receive any donation and/or get an inquiry about a donation, please get in touch with Eugene, Frank, myself or any member of the board of directors so that we may follow up with the donor to make sure we properly address the donation or inquiry.

I would also like to thank all the volunteers that help us in the archive department.
