

FEATHER RIVER RAIL SOCIETY

General Superintendent's Report

Kerry Cochran

Date: Dec. 5, 2018

Santa Trains are upon us, I hope that we all take time to remember the season and keep safe.

As we move to close out the 2018 season, please look for notices in the *Train Sheet* on news and needs of the society.

2019 WPRM Convention: Please look on the website for the latest information. The convention registration is now open. This year we will be again holding a joint convention with the Pacific Coast Region of the NMRA. We did this about two years ago in Modesto and I expect this will be a great convention with them again in 2019.

The convention will be held May 2 thru the 5, 2019 at the McCellan Conference Center in McCellan Park, Ca. (just south of Sacramento).

There are going to be several California Zephyr presentations (that is my understanding right now) at this convention along with many presentations given by the Pacific Coast Region of the NMRA.

The convention staff can always use help to make the convention a success. Please contact Eugene Vicknair and let him know that you can give us a hand.

Registration for the convention is now open; please visit the website to register for the convention at: <http://pcrnmra.org/conv2019/registration>.

"As always, there are so many volunteers that help around the museum all the time and I would be remised if I did not say thank you to all of you. I may have missed some specifically by name; however all of your help is greatly appreciated".

At any time should you have any questions, please feel free to contact me, I may not have an answer right away, however I will get one for you.
