- 1/14/19 Reviewed proof at Pine Press. Approved layout and content, but rejected print quality. There was very subtle mottling in a band near the bottom of the page. Hassan ran a test page and found it was a printer issue. He immediately opened a service call to get his printer serviced. (I guess that is why you do proof copies!)
- 1/14/19 Emailed out 147 email delivery copies (in two batches so it did not trip the maximum number of emails per hour at Hostmonster and Gmail.) 133 were domestic members, 4 were international members, 10 were directors/officers.
- 1/16/19 Domestic copies (527) delivered to bulk mail vendor (\$325.59)
- 1/17/19 International copies (5) mailed (\$16.10)

12 vs. 16 Page Issue

For planning future issues, I thought it would be useful to have printing and domestic mailing estimates for both 12 and 16 page issues. A 12-page issue would be about \$190 less expensive to produce.

Item	12 Pages	16 Pages
Print 600 sets	\$680.00	\$820.00
Estimated Domestic Postage	\$325.59	\$362.76
Sales Tax	\$61.20	\$73.80
Total:	\$1066.79	\$1256.66

Promoting Email Delivery

I continue to receive replies to my emails from early December inviting members to convert to email delivery. There have been three more emails requesting email delivery since the last issue went to press. There have also been five emails to membership@wplives.org requesting email delivery. I believe these are from the “Catch the Early Train” notice in the *Train Sheet*.

One person has contacted me asking to convert back to USPS delivery.

I will collect all the changes and send them to Susan Scarlet before the next issue is published.
