

FEATHER RIVER RAIL SOCIETY

DATE: July 2019
ITEM: Mechanical Report – Rubber Tire
FROM: Bil Jackson

I have been attempting to complete the work Steve Habeck had requested regarding the safety equipment needed on the fork lifts and the tele handler.

Completed repairing or installing new horns and/or back up alarms on the electric fork lift, white fork lift, yellow fork lift and the tele handler. Repairs are complete and perform as designed.

Repairs were completed by Bil, Vince and Ethan.
