WESTERN PACIFIC HISTORICAL CONVENTION

We have confirmed the dates and signed the contracts with the Gold Country Casino in Oroville. This weekend, info will be going out to the various committee members and we will start setting up the promotion and marketing for the Convention.

Eugene is working out final cost and fare numbers and will start setting up the webpage with Paul Finnegan. Once fare numbers are finalized, the registration spreadsheet and format will be sent to Bob Sims. Kerry is working on setting up shows and clinics.
