April/May/June 2020 Issue #185

I reported the estimated costs for issue #185 last month. When the final postal expenses were determined, we ended up with a \$1.86 balance due. When I submit the invoice for issue #186, I will include this expense.

Since issue #185 was published, three members responded to the “Catch the Early Train” offer and changed from postal to email delivery. One of the members was a foreign member. The members will receive their *Train Sheet* faster and in color, and the society’s cost of publishing our newsletter is reduced.

July/August/September 2020 Issue #186

The following articles are planned (or at least ideas) and current status:

- Member Spotlight: Phil Schmierer (DONE)
- Things Around the Museum: Milward Switch (DONE)
- What the heck was POLING? (DONE)
- President’s Pin (Greg Elems)
- Archive Department Update (Kerry Cochran)
- Pumpkin Train Update: TBD
- Santa Train Update: TBD
- WP 705 Paint Project (Greg Elems)
- How did we get WP 705? (Paul Finnegan)
- WP 165 July/August Work Party Report (Roger Stabler?)

Additional suggestions are requested for the next issue. With the museum being closed and our reduced activities, more material is needed.
