

Historical/Archive Department Report

9/8/2020

We are now seeing more donations coming into the museum.

Over the last month we have received several inquiries about how to make a donation to the museum. I have been in contact with each of the people and explained how they can get the donation to us.

There have been several large donations this last month with some as far away as New Jersey.

Should there be any questions on donations or the archives during this time, please contact the Archive Department or any of the contacts on our website and someone will get back to you.

The donations that we have received will be added to our collection and are currently in safe keeping until we can open again and take inventory of the items.

Several questions have come in during the last month and we have answered all of those questions. Some of them took a while to research and find an answer and others the answers were in other publications.

I have been fortunate to have Frank Brehm, Paul Finnegan, Kenneth Finnegan and Eugene Vicknair as resources on the Historical/Archive staff to help me in obtaining answers, or the correct resource to look for answers, for these inquiries.

There are several members that have helped with the archives that it goes beyond me just saying thank you. The help I receive is great and I could not do it without this help from all the members.

If you have not visited the Historical/Archive Department web page recently, please consider looking at them to see "What's New" in the Western Pacific Documents page.

We have added more materials to the Historical/Archive web pages. There is a scheduled release of new material throughout the end of this year. Please take time to view the Historical/Archive web pages and see what's new.

Needs for the Archives:

We are always looking for help in getting materials properly stored and we need the support of the membership with helping supply storage materials for the archives.

We still need help in getting funding and storage materials for the archive department. Should you be able to help out, please let us know!

Items listed below are still needed to help keep our collection stored properly and should you wish to help us out, we certainly would like your donation and help.

- Computer program to track all the Historical/Archive items
- Original copy of Windows 10 to be used in the Archive Department
- Archive storage boxes for 35mm slides
- Archive storage boxes for 8 1/2 X 11 materials

Should any member receive any donation and/or get an inquiry about a donation, please get in touch with Eugene, Frank, myself or any member of the board of directors so that we may follow up with the donor to make sure we properly address the donation or inquiry.

I would also like to thank all the volunteers that help us in the Historical/Archive Department.
