

**FEATHER RIVER RAIL SOCIETY
AGENDA REPORT**

DATE: 9/8/2020
TO: Board of Directors
FROM: Kerry Cochran, Paul Finnegan
MEETING: 9/12/2020
ITEM: New Business
SUBJECT: FRRS/WPRM Domain Names

The question is: Should we keep all the names and/or reduce some of the domains and save us money.

Discussion with the Board of Directors and direction.

The current domains are:

wplives.org – The “real” one we use. **WE KEEP THIS ONE**

Others we have:

runalocomotive.com (redirects to RAL webpage) **WE SHOULD KEEP THIS ONE**

One of the issues with this one (why we should keep it) there may be publications out in the real world with that use this URL and we don't want to have it get away from us.

runalocomotive.info (redirects to generic Hostmonster page) **WE SHOULD KEEP THIS ONE**

runalocomotive.org (redirects to generic Hostmonster page) **WE SHOULD KEEP THIS ONE**

runalocomotive.net (redirects to generic Hostmonster page) **WE SHOULD KEEP THIS ONE**

runalocomotive.us (redirects to generic Hostmonster page) **WE SHOULD KEEP THIS ONE**

sacramentonorthern.info (redirects to generic Hostmonster page) **CONSIDER LETTING THIS ONE GO**

sacramentonorthern.net (redirects to generic Hostmonster page) **CONSIDER LETTING THIS ONE GO**

sacramentonorthern.org (redirects to generic Hostmonster page) **WE SHOULD KEEP THIS ONE**

wpmuseum.com (redirects to generic Hostmonster page) **CONSIDER LETTING THIS ONE GO**

wpmuseum.info (redirects to generic Hostmonster page) **CONSIDER LETTING THIS ONE GO**

wpmuseum.net (redirects to generic Hostmonster page) **CONSIDER LETTING THIS ONE GO**

Each domain name casts about \$15/year to keep.

Should all domain names we decide to keep redirect to the appropriate existing page?
