

Historical/Archive Department Report

11/9/2020

Over the last month we have received a few donations from some of our supporters.

I would like to thank our president, Greg Elems for all the help with the archives so far this year. Without his help, I don't know what would have taken place since I have been unable to visit the museum since February.

We continued to get several questions during the last month and we have answered all of those questions.

Should there be any questions on donations or the archives during this time, please contact the Archive Department or any of the contacts on our website and someone will get back to you.

There are several members that have helped with the archives that it goes beyond me just saying thank you. The help I receive is great and I could not do it without this help from all the members.

If you have not visited the Historical/Archive Department web page recently, please consider looking at them to see "What's New" in the Western Pacific Documents page.

https://wplives.org/wphistory_wp_documents.html

We have added more materials to the Historical/Archive web pages. There is a scheduled release of new material each month throughout 2020. Please take time to view the Historical/Archive web pages and see what's new.

Needs for the Archives:

We are always looking for help in getting materials properly stored and we need the support of the membership with helping supply storage materials for the archives.

We still need help in getting funding and storage materials for the archive department. Should you be able to help out, please let us know!

Items listed below are still needed to help keep our collection stored properly and should you wish to help us out, we certainly would like your donation and help.

- Computer program to track all the Historical/Archive items
- Original copy of Windows 10 to be used in the Archive Department
- Archive storage boxes for 35mm slides

I have been in contact with one member who has indicated that they will donate eight (8) plastic archive quality 8 ½ X 11 storage boxes for the archives.

Frank Brehm has three computers that he will be donating to the archive project, and this additional set of computers will help along with all the other computers at the museum.
THANKS Frank!

Should any member receive any donation and/or get an inquiry about a donation, please get in touch with Eugene, Frank, myself or any member of the board of directors so that we may follow up with the donor to make sure we properly address the donation or inquiry.

I would also like to thank all the volunteers that help us in the Historical/Archive Department.

Kerry Cochran
Director, General Superintendent, Historical-Archive Manager
