ITEM: Funding Department Report

## **DONATIONS**

We received a few donations in the last month, including some WP 705 donations, via PayPal.

## **COVID GRANT**

We are in the queue for the California \$15,000 COVID support grant. This would be applied toward store personnel salaries. Hopefully hear shortly if we are approved.

## **SBA COVID GRANT**

The SBA is soon to open a new COVID support Shuttered Venues Grant. Rep. LaMalfa's office is going to assist us in that application, which could be worth up to \$80,000 for us.

## **2021 GRANTS**

Shane Starr has shared with me some more possible grants for capital projects. These will require cooperation with the city and / or county and big support from Rep. LaMalfa's office.
