AFFILIATE / INSTITUTIONAL MEMBER BENEFITS

Several years ago, we adopted the idea of designating other museums as Affiliates. This has since evolved into the Institutional Membership classification.

Since the initial idea, the benefits extended to these Affiliates / Institutional Members has varied. It is here proposed that we update and unify these in a formal policy.

The proposed benefits for Institutional Members are as follows:

- free admission with proof of membership in organization
- 5% off museum store merchandise purchases with proof of membership (excluding train rides and RALs)
- discount on Convention registration (to equal about half of FRRS member discount vs. non-member price)
- receives both The Train Sheet and The Headlight (2 copies each)
- twenty free train ride tickets for organization members and families

This combines the old Affiliate benefits with the previously approved Institutional benefits.

Institutional Members have no voting rights and are not eligible to volunteer.

REQUESTED ACTION: Approve the revised policy for Institutional Members.
