

## FEATHER RIVER RAIL SOCIETY

DATE: March 2022  
ITEM: Museum Store Report  
FROM: Eugene Vicknair

I am planning to be at the museum multiple days around the April Board Meeting to help with store opening and working on clean-up and possibly adding some more new fixtures.

New custom products are being evaluated and quoted including new shirts, magnets, postcards and toys.

We need to do an opening inventory soon.

Although we are barely into the year and have not opened to the public, online sales are running 50% over last year.
