

FEATHER RIVER RAIL SOCIETY

General Superintendent's Report

Kerry Cochran

Date: July 5, 2023

We have started the operating season with very few crewmembers to operate the caboose trains. We had to put out a "calling-all crews" email at least one weekend so far.

A big Thank You goes out to our President, Vice President and the CMO for being at the museum on the weekends that we have short crews.

I would encourage all Operating Department members to look at their calendars and see if they can sign up for the train crew this summer.

Hopefully everyone had a great and safe 4th of July.

Weather has been very warm at Portola and please remember to wear sunscreen, hydrate (keep plenty of water at hand) and take shaded rests during breaks in the caboose train operations.

We have a few new members and volunteers this year, so if you do not recognize someone, please take the time to introduce yourself to them and see what you can do to make their volunteer experience at the museum a good one so that they will feel welcomed and return to give us a hand.

At any time should you have any questions, please feel free to contact me, I may not have an answer right away, however I will get one for you.

Kerry Cochran
Director/General Superintendent
