Re: Signal Department Report – AT&T Annual Contract  
Date: June 5, 2024

Last month I reported my efforts to remove the white pages listing for the WPRM from our AT&T account.

I was unable to remove the service because it was written into the contact renewal. However, I was able to negotiate a credit of \$51 for the current contract period and a \$100 credit for the previous contract periods since I had originally attempted to remove the service in August of 2022.

I have logged into our AT&T account and confirmed the credits were properly applied to our account on the May 28, 2024 bill.

<b>Bill-At-A-Glance</b>	
Previous Bill	206.72
Payment - Thank you!	206.72CR
Adjustments	151.00CR
Balance	151.00CR
Current Charges	206.93
<b>Total Amount Due</b>	<b>\$55.93</b>
Amount Due in Full by	Jun 20, 2024

Next year when I renew the contract, I will make sure the white page listing is not included.
