#### IMPORTANT INFORMATION **REGARDING YOUR PLUMAS PLUS ACCOUNT**

- 1. This statement covers the billing period through the closing date shown at the top of the statement. All advances and payments after this date will appear on your next statement.
- 2. The "Previous Balance", which was the "New Balance" on your previous month's statement plus "Advances" minus "Payments" minus 'Credits" equals the "New Balance" shown.
- 3. The "Credit Available" is the amount left for your use at the end of the statement period, within the amount approved.
- 4. Method Used to Determine the Balance on which the FINANCE CHARGE will be computed. A daily FINANCE CHARGE will be imposed on all credit advances made under your Credit Line imposed from the date of each credit advance based on the "daily balance" method. To get the daily balance, we take the beginning balance of your Credit Line Account each day, add any new advances and subtract any unpaid FINANCE CHARGES and any payments or credits. This gives us the "daily balance".
- 5. The "Payment Due" as shown on the face of the statement is the amount of all current and prior month's payments which have not yet been charged to your checking account.
