FEATHER RIVER RAIL SOCIETY

General Superintendent's Report

Kerry Cochran
Date: November 4, 2024

As our 2024 season is coming to an end, with only Santa Trains left this year, I hope that all of the members and volunteers have a great holiday season.

I understand that the Pumpkin Express event was well attended and the museum had several visitors that came to enjoy the events and the museum. Thank you to the volunteers who attended and helped out. I also understand that we did very well with the pumpkins sales.

While there are some staff changes late this year, I hope that everyone will give support to all the new staff positions and step up and give a helping hand to the people that will help keep the museum running.

While on the subject of change, you will see a more positive direction for the museum as we move forward with several changes. These hopefully will bring our museum into a better place as both a business and a destination for visitors.

While we move into the winter and with the museum closed, some of our volunteers will be preparing the museum for the winter. Please give them a hand if you are available.

As the FRRS Board of Directors tackle several issues at the board meetings, please ask questions and support the directors as they have a large job at hand to run the society and the museum

Please support all our volunteers and say "Thank You" to them as they perform work around the museum. We need to show that each and every one of the volunteers mean a lot to the work we do and that each of us in management positions appreciates the time and work they do.

At any time should you have any questions, please feel free to contact me, I may not have an answer right away, however I will get one for you.

Thank you

Kerry Cochran Director/General Superintendent
