

San Francisco, California,

July 23rd 1912.

Dear Mr. Evans:

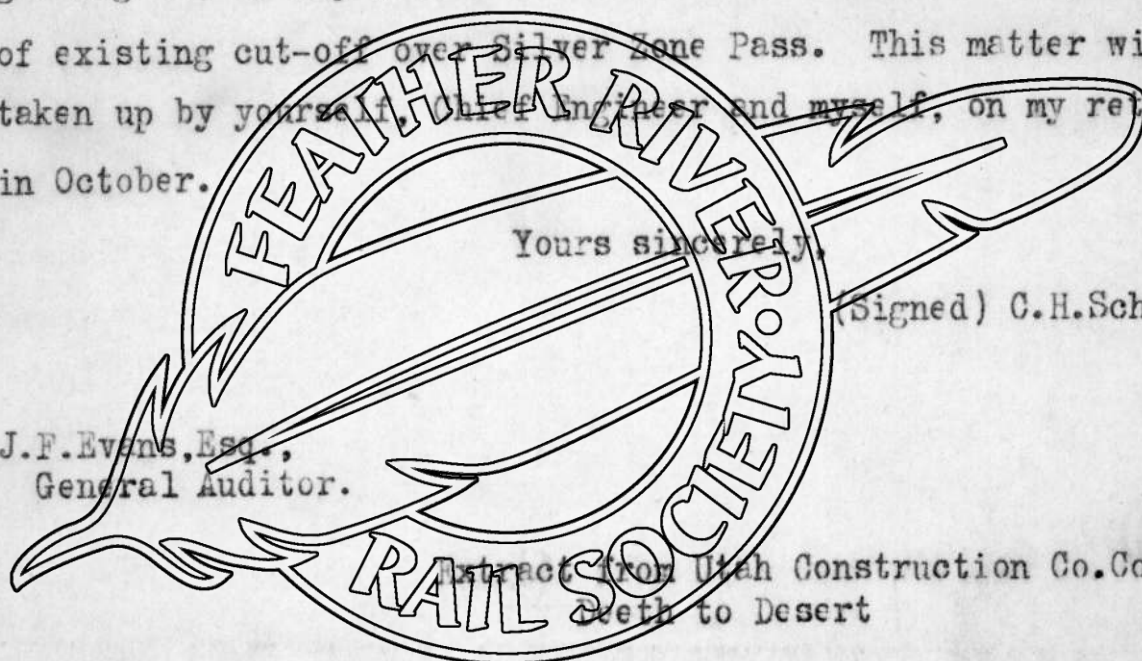

Referring to verbal instructions given to yourself and Mr. Wyche, yesterday:

The A.F.E. covering entire work of completing Arnold's Loop, is to be made up without reference to any credit growing out of any future determined abandonment of a portion of existing cut-off over Silver Zone Pass. This matter will be taken up by yourself, Chief Engineer and myself, on my return in October.

Yours sincerely,

(Signed) C.H.Schlacks

J.F.Evans, Esq.,
General Auditor.

Extract from Utah Construction Co. Contract
Teeth to Desert

"In case the Contractor shall resume and complete said work on Arnold's Loop in accordance with the provisions hereof, said sum of \$10,935. shall be repaid to the Railway Company by deducting same from the final estimate of the amount to become due to the Contractor for said work."

See Memorandum attached to Voucher No. 12196 December, 1909.
