- 289 Zephyr Hayward(maybe siding?) Aug 23 CZ LS 10 SEP65P
- 290 WP illegible San Joaquin River CZ LS 9 MAR70P7
- 291 Zephyr Oakland Depot CZ LS 5 MAR70P7
- 292 Zephyr Illegible Crossing CZ LS 34 FEB70P4 westbound CZ number 17 w/b at Hearst. Crossing over the SP tracks next to state highway 84 that goes through Niles Canyon. - note from Thom Anderson 6/28/24
- 293 Zephyr LLS (Maybe Louis Stein) CZ LS 4 MAR70P7
- 294 Zephyr Oakland CZ LS 15 MAT70P7
- 295 Zephyr W Illegible CZ LS 16 MAR70P7 westbound CZ 17 in Oakland. Train has completed its station stop in Oakland and is about to leave the street trackage on Third Street. Immediately behind the photographer is the SP mainlines and Homestead Yard drill tracks. The CZ will cross the SP and enter the WP Oakland yard. This interlocking is controlled by Magnolia Tower. - note from Thom Anderson 6/28/24
- 296 Zephyr Hayward CZ LS 12 MAR70P7
- 297 Zephyr Pleasanton CZ LS 2 MAR70P4
- 298 WP inside Depot Illegible CZ LS 1 MAR70P07 looks like the D&RGW/WP station in Salt Lake City and on the D&RGW railroad. I'm pretty sure "Grand Valley" is a station on the Rio Grande. - note from Thom Anderson 6/28/24
- 299 WP Engine & Zephyr CZ LS 7 FEB68P2
- 300 Zephyr Altamont CZ LS 32 FEB70P4
