The following fees are charged for use of materials from the Feather River Rail Society Collection. Payment is per image, for one-time use, and is payable to the "Feather River Rail Society." Fees are payable at the time of publication. Further duplication in any form is explicitly prohibited without the Feather River Rail Society's advance written permission. Use fees are the primary means by which the Feather River Rail Society funds the opportunity for the purchase of additions to the permanent collection.

Fees may be paid by Cash, Credit Card, and PayPal. In some cases fees must be paid in person at the museums, Museum Store, other fees may be paid on-line and items will be released once payment is received.

A complimentary copy of the completed work in which our image(s) appear may be requested for deposit in the Feather River Rail Society collection.

The Feather River Rail Society reserves the right to refuse permission to publish materials if, in its judgment, publication would involve violation of copyright law, would cause irreparable damage to valuable and fragile originals, or for any other reason.

Note: Members of the Feather River Rail Society are eligible for reduced fees.
