From the Desk of the President

FAITH.

Our members have faith in what we are doing here and expect us to stay in the museum business. This is evidenced by the number of Life members (four recently) who sent us \$300. If you can afford it, the life membership is a good deal for the member and for us.

It eliminates your annual dues and gives us some working capitol if needed.

We treat this account as untouchable, although we have made loans against it. The interest earned pays for the cost of servicing the member.

Something to think about.
