From the Desk of the President

Your President's desk (the one at home) has been very crowded these last few months with details of the Pacific Limited and now with plans for the November TRAIN convention in Reno. This is in addition to the everyday business necessary to keep our organization going in a businesslike manner.

Sometimes I get discouraged with a lack of volunteers, but then when we get a project, our members come through. The Pacific Limited and Motorcar Races are two examples of a good turnout when we really need the extra help.

We sincerely appreciate all of those who volunteer.

--Norman W. Holmes

Notice!

The dating that appears on the cover and masthead of each issue of the Train Sheet is the date of the contents. This is done to benefit those who retain back issues of the Train Sheet and wish to know what went on at the museum for a given month and year. They need only refer to the issue that has that month and year on it. The Train Sheet is NOT pre-dated as are some periodicals.
