

# Baldwin Switchers

arrive at Portola

**US Steel 16, Baldwin-Lima-Hamilton,  
Model S-12, Builder Number #75912,  
Built 10-53.**

Built for McCloud River RR as their No. 30.  
Sold to Rayonier, Inc., WA, renumbered  
203, sold to US Steel renumbered 16.  
Painted bicentennial 1776 in 1976.

**US Steel 17, Baldwin-Lima-Hamilton,  
Model S-8, Builder Number #75834,  
Built 1-54.**

Originally constructed as the cab unit of a  
cow and calf set in April 1953 on the basis  
of an order from Oliver Iron Mining. They  
were painted and lettered for that company  
and given road numbers 1216A/B. The set  
was never delivered. The cab unit was sold  
to Armco Steel in Ashland, KY in Jan. 1954  
as their No. 1201.

**US Steel 20, Baldwin-Lima-Hamilton,  
Model S-12, Builder Number #76091,  
Built 2-55.**

Built as Armco Steel No. 706.
