From the Desk of the President

Another summer is almost gone. We have gotten more work done this year thanks to the Plumas Youth Job Training Program, the hiring of a painter and a lot of effort from a few of our members. We have a very large collection and a large facility to maintain. Past experience shows that the few of us who live here and devote most of our daily lives to museum activities cannot keep up with all the work that should be done. The successful restoration fund drive, locomotive rental program, gift shop profit and donations have given us enough funds to hire some of the work needed. Your continued financial support is necessary for us to maintain our museum.

-- Norman W. Holmes

Notice: The Train Sheet and The Headlight are mailed by bulk mail which can be unreliable. We could not afford to mail publications by more expensive means. Being bulk mail, it is possible that a publication is mailed to you and never reaches you.

ALL mailing of back issues is done from Portola. If you feel you have missed a publication, contact the museum.
