FRRS Gift Shop News

Two new books are now available which cover the UP (and some WP) in the Feather River Canyon and a book on the history of the WP and experiences of a WP engineer [our own Norm Holmes].

The Feather River Canyon: Union Pacific's Heart of Stone, is still available at an introductory price of \$39.95. This beautiful all color book by Steve Schmollinger shows Union Pacific trains in the Feather River Canyon. A few of the photos go back to the WP days. 104 pages, 100 color photos, 9x12 vertical format, hardbound.

My Western Pacific Railroad by Norman Holmes contains a brief history of the WP as published in the WP Milepost magazine and continues on covering WP special passenger trains, The California Zephyr, a photo journey from San Francisco to Salt Lake City and finishes with a steam and diesel roster; a freight car, passenger car and caboose roster. The Chapters: An Engineer's Journey are Norm's experiences as a WP engineer. They are written as a first person narrative by Norm, and you feel as if you are right up in the cab with him. 128 pages, 230 photos including 16 pages of color, 8 1/2 x 11 horizontal format. List prices: hardbound \$42.95, soft cover \$29.95. A special FRRS member rate 20% off list price will be in effect until March 31, 1997.

The above books may be purchased from the Museum Gift Shop. Please include \$3.50 for shipping, and California residents add 7.25% sales tax. The Gift Shop stocks all current books and tapes that are of "Western interest." Profits from gift shop sales help support our museum.
