

PRESERVING "THE FEATHER RIVER ROUTE"

*WP Lives, in Portola!*

**Mission Statement**

The mission of the Feather River Rail Society is to preserve the history of the Western Pacific Railroad. The secondary mission is to preserve the history of the subsidiary and interchange railroads within the territories it served.

**Mission Goals**

To preserve and interpret the history of the WP, the "Willing People", as a vital link in the development of the rail industry on the West Coast, including the steam and diesel evolution, WP's influence in the passenger tourism industry, the impact of freight competition between neighboring railroads, and WP's influence in the lumber, mining and agriculture industry from Plumas County throughout California, Nevada and Utah.
