

Would YOU like to work on the Railroad?

Join our Operating Department!

Paul Finnegan – Crew Caller

The museum operates trains every weekend between Memorial Day and Labor Day. We also run our Santa Trains in December and during other special events. If you have always wanted to have a taste of "working on the railroad," such as connecting air hoses, giving hand signals to the engineer, and pulling pins on couplers, then this is your opportunity.

FRRS members (active and above) who would like to participate in the museum's train operating crews are required first to take a rules examination, sign a liability release and then to be instructed in safe operating procedures.

Three Crew Training classes are scheduled for 2017. They are scheduled for April 8th, 9th and April 29th starting at 10 am at the museum in Portola. You need only attend one day of training. Please use the "join our Operating Department" link on the museum's home web page to register for the class day of your choice.

Museum Sponsors

The Western Pacific played a major role in developing the economy of Plumas County and the surrounding region. The Western Pacific Railroad Museum is proud to be a part of that heritage and to hold a position in supporting the ongoing economic health of our community. We welcome the support of that community in return. Helping to preserve the Western Pacific is good for tourism, good for our regional culture and good for business.

We ask our members and visitors to support our business sponsors, companies who have generously contributed to the museum and its mission to preserve the Western Pacific family.

If you are a business owner, see how you can support the WP Museum, your community and improve your advertising and networking outreach through our sponsorship program.
