

General Superintendents Report

—Kerry Cochran
 Director, General Superintendent

SSW	(Cotton Belt)	23908
JRSX	(Simplot)	5021
UP/MP	(RPO)	14144

While the current operation season has come to an end (Except the Santa Trains) I would like to take the time to thank all the members of the society for their help and time this year. Without all the volunteers, we would not be able to make the Caboose train, the Pumpkin train and the Santa train possible.

I would also like to thank all the volunteers in the Mechanical department for keeping the fleet operating this year and coming to the rescue when we had issue.

There as so many volunteers that help around the museum all the time and I would be remiss if I did not say thank you to all of you. Your help is needed to keep the place running and helping our visitors.

Keep Alert, Be Safe.

Policies and Procedures Report

Several of the revised Policies have been placed into the new format and posted on the WEB Pages for viewing.

Historical/Archive Department Report

Last Report 8-7-2016

As in my last report, I described the number of box cars that had Historical/Archive materials stored within them.

All Historical/Archive material box cares have had the locks changed to a high security lock and the appropriate officers have keys to these cars.

To follow up on this, I have identified the following:
 Here is a list of the box cars: (updated 9/2016)

One of the new things that you will find on the Historical/Archive WEB pages is, the FRRS History page, where several old FRRS (Portola Railroad Museum) WPRM documents will be available for viewing. This look back into the FRRS's history (by document) should give everyone a look back into the days when we started, thru our tenth year anniversary right in to today.

One of the things I hope everyone will find an interest in, is the Grand Opening 1985 flier announcing the opening of the museum and train rides, The Circle the Wagons, Tenth year anniversary program, And the first printed Rules Book.

I hope that you all will take a look and give us feedback on this concept.

If you come across and Historical/Archive, Donated materials, Please contact one of the staff of the Historical/Archive Department and let them know that the materials have been received and where it is located so that it can be moved to proper storage.

Frank Brehm has been lending a hand with all the documents needed to make sure that we have operating policies and procedures in place to account for the Arthur Walter Keddie Railroad library.

Working Group Meetings

In the background during the non-operating season, there is some hard work going on for not

only the operating department, but the museum also.

Paul Finnegan, Kenneth Finnegan, Rick Gruninger and Kerry Cochran, have been working on various Operating Department procedures for next year's training classes and adding more content to the training for our volunteers.

During these meeting, there are other thing that have been brought up that concern the overall operation of the museum and the volunteers. These items relate to Safety, Volunteer records, Volunteer Training, RAL Operations and several other issues.

I walked away with 7 pages of notes that will be used for discussion with other department within the museum, plus discussion items that I will discuss with the President and Secretary.

One of the larger projects is the revision of the Red book (actually Orange right now) will be revised for next year to represent the current practices of the operating department and make the book more consistent with the operating rules.

During these discussion there will be some new additions to the book, several positions (Car Attendant, Switch Tender, Student Hostler and Qualified Hostler.
