

**NOTES**

**MATERIAL :**  
Rests to be made of S.H. 12" x 12" timbers.

**PAINTING :**  
Rests to be painted with white lead and oil.

**LOCATION :**  
Rests to be located approximately two miles apart and as near as practicable opposite the odd numbered mile posts. They are to be located at points where grading is not excessive. When practicable motor-car setouts shall be combined with rail rests, as shown by dotted lines on this drawing. For motor car setouts see drawing No. C.E.S. 50.
